I. **SEOLS OVERVIEW**

The Southeast Oklahoma Library System, hereafter referred to as SEOLS, was formed in 1967 and is headquartered in McAlester, OK. SEOLS operates 16 libraries in the counties of Choctaw, Coal, Haskell, Latimer, LeFlore, McCurtain and Pittsburg. For each of its 16 libraries, SEOLS provides staff, materials, furniture and equipment. Local entities, typically a city or a county, provide for building upkeep, maintenance, and improvements including painting and carpeting. SEOLS fiscal year runs July 1st – June 30th.

II. **Project Overview**

We are in the process of updating all of our libraries with new furniture and refreshed layouts. No longer will our libraries resemble the same quiet, bookish centers of decades past. Users will know as they enter the door that they are entering a 21st century library, a community living room, with an emphasis on community, gathering, and technology.

In addition to providing a modern facelift, shelving should be mobile and encourage an open aesthetic that allows for visibility throughout each room and area. The layout should encourage discovery while marking distinctions between collections and usage areas. Multipurpose options are encouraged. Please preserve any available natural lighting.

The Stigler/Haskell County Public Library was opened May 31, 1968. In 1985, the library moved into a small new building. In 2011, the library moved into the much larger former civic center, after a total remodeling. Though it serves a small community, the library offers many children, teen and adult programs open to the public along with a number of outreach services and is one of SEOLS busiest libraries. The library also offers many clerical services, such as copying, faxing, printing, and scanning along with free wireless internet and public computer access.

Stigler, the county seat of Haskell County, is a small but vibrant community with a rich history and a proud heritage. Founded in the early 1900s, the town grew quickly with the arrival of the railroad, which brought new opportunities for trade, farming, and business. Named after Joseph Stigler, one of its early settlers, the town became a hub for the surrounding rural communities. Over the years, Stigler has been shaped by the hardworking spirit of its people. Agriculture, ranching, and energy development have all played roles in its growth, while family-owned businesses and community institutions have helped keep the town close-knit and welcoming. As the county seat, Stigler also serves as a center for civic life, hosting schools, government offices, and local services that connect the broader region.

The points of contact and decision makers for this project will be:

- Tracy Allred, Stigler Public Library Manager, tracy.allred@seolibraries.com, 866-240-6884
- Rachel Morton, Regional Manager, rachel.morton@seolibraries.com, 918-653-2870

- Michael Hull, Executive Director, michael.hull@seolibraries.com, 918-426-0456

The estimated project timeline is as follows:

October 30th, 2025: All bids and proposals are due by 4:00 pm.

October 31st, 2025: Bids will be opened at 10:00 am.

November 18th, 2025: The SEOLS Board will consider and select a bid.

November 19th, 2025: The Executive Director will contact the winning bidder and discuss starting the project.

February 27th, 2026: Target date for receipt and installation of all shelving.

III. **Bid Requirements**

All bidders are required to complete Forms 1-5 on the following pages. Additional information may be provided to better demonstrate bidder's qualifications or to communicate any other information relevant to the bid. **To be considered, all design proposals must include a diagram of the proposed floor layout for the new shelving detailing the location of each collection.**

IV. **Vendor Qualifications**

In order to be eligible to bid, bidder must be an entity that is duly formed and in good standing in accordance with Oklahoma law. Bidder must demonstrate that it has been in business at least five years and is able to prove demonstrated capability to perform the scope of work with a performance record satisfactory to SEOLS.

V. **Contract Term**

Any Contract entered into between SEOLS and vendor shall identify vendor as an independent contractor, and not as an employee or agent of SEOLS. SEOLS will not withhold federal, state, or local income taxes, unemployment taxes, social security, or any other payroll withholdings on behalf of the vendor, or any employee or associate of the vendor. The vendor shall be responsible for the vendor's own labor expenses, health care, transportation, self-employment taxes, income taxes, and other forms of taxes and wage withholding, and all other costs and expenses of the vendor in connection with the vendor's performing contracted for services. The vendor shall be responsible for all workers' compensation coverage for the vendor, and any partner, principal, employee or associate of the vendor.

VI. **Bid Process and Guidelines**

- A. The sealed envelope shall be clearly marked "**Sealed Bid Response – BID #2509ST, Stigler Public Library Shelving RFP**" and endorsed on its face with the name of the person, firm or corporation submitting such bid, with date of mailing/presentation. Firm may submit an electronic submittal of your bid on a flash drive or similar device with your bid submission. Bids must be received by 4:00 pm central time on Thursday, October 30th, 2025. Send to Michael Hull, 2820 N Main Street, McAlester, OK 74501.

- B. The sealed bids shall be opened by the Executive Director, or his designee, and a SEOLS trustee at 10:00 am on Friday, October 31st in the SEOLS administrative office at 2820 N Main Street, McAlester, OK 74501.
- C. SEOLS reserves the right to award the contract to the bidder that provides the best value bid and reserves the right to make no award, as will best promote the public interest, taking into consideration the reliability of the Bidder, quality of the services to be furnished, and their conformity with the requirements of the Bid.
- D. A Selection Committee consisting of SEOLS staff will evaluate the bids. The Executive Director will make its recommendations for an award to the SEOLS Board for final approval at their November 18th, 2025 meeting.
- E. SEOLS may award to a bidder that adheres to the Library's requirements, is determined by SEOLS to be the most responsive and provides the best value.
- F. SEOLS shall enter into a formal contract or letter of engagement to the Successful Bidder which shall not be binding unless and until SEOLS and the Successful Bidder executes a contract.
- G. If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this Bid, they shall immediately notify SEOLS in writing to Michael Hull, Executive Director, at michael.hull@seolibraries.com of such error and request clarification or modification to the document.
- H. Should SEOLS find it necessary to modify this Bid, a notice of that modification will be made by way of an addendum that will be sent to all vendors who have received the RFP.
- I. If a Bidder fails to notify SEOLS of a known error or an error that reasonably should have been known prior to the final filing date for submission, Bidder shall assume the risk. If awarded the contract, the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

VII. **Payment**

- A. Upon entering into a contract or signing of a letter of engagement, payments shall be net upon approval of an invoice for services, unless otherwise stated.
- B. SEOLS's payment of any invoice shall not preclude SEOLS from claim for adjustment on any item found not to have been in accordance with the general conditions and specific requirements of the contract.

VIII. **Floor Layout**

We realize the limited floor space will restrict the use of the space. Still, we want the new layout to feel modern and to encourage sitting and exploration. We insist that the service desk remain in its current location, but otherwise we are open to moving any collection to a different part of the building.

The current floorplan can be found at this link:

https://drive.google.com/file/d/1Ohl3o25bY4vPBGh7clgVl0T-plxuwCvi/view?usp=drive_link

The dimensions show approximations of the locations of current shelving, seating, and tables.

Please direct questions regarding the building design and current floorplan to library manager Tracy Allred.

IX. Material Counts

The table below states our different collections, the quantity of items in each collection, and how many linear feet we believe we need for each. While we provide the current number of items in each collection below, it is extremely important to us that our shelves do not look packed. We therefore require enough linear shelf feet for each collection to be able to hold approximately 50% more than the figures provided so that our current collections only occupy about 75% of the shelf space.

X. Shelving Specifications

Below details our preferred shelving specifications. Alternative recommendations and additional features are welcome.

All Shelving:

- Include end caps or panels.
- Floor shelving should come with hidden casters
- We are open to either metal or wood/wood laminate shelving. We encourage you to speak with library manager Tracy Allred to discuss products you can offer, and multiple bids for each are very welcome.
- State the following:
 - Material type
 - Dimensions
 - Estimate of shelf capacity per shelf
 - Warranty
- Please provide photos of each item

Adult Collections:

- Floor shelving height should allow for an average person to look over and that allows light to flow throughout the building.
- Wall units should not exceed 72”, but shorter (60”) will be preferred.

Youth Collections:

- Wall shelving should have a height not to exceed 60” while floor shelving should not exceed 48”.
- We are open to colored tops.

Children’s Collection:

- Shelving should not exceed a height of 48”, whether it sits against the wall or freely on the floor.
- We are not interested in book bins.
- We have a high interest in colored tops or shelves of a bright or primary color variety.
- We prefer shelving with color options or that incorporates designs that inspire children.
- We would like options for curved shelving if floor space allows

New Books:

Either state where you propose to display new books with this shelving or propose a separate unit for displaying new books.

Periodical:

Please recommend an option for displaying 3-4 newspapers that does not take up much space.

Mobile Book Displays:

Please recommend up two mobile book displays. Must include casters.

XI. Floorplan

All bids must include a proposed floorplan. In your proposed floor layout:

- Leave space in which we can add ample seating and tables in the future.
- Allow for natural light from the front windows to shine throughout the building.
- Do not move the primary service desk.
